

G-ROC TOPHAMMER PRODUCTS

A New dimension in Rock Drilling Tools

With growing demand of customers to drill fast, rig manufacturers have introduced powerful rockdrills that range as high as 30KW. The big challenge now is with the rock drilling tool manufacturers to withstand these high powerful rockdrills and achieve a desirable life.

G-ROC evidently considered the growing demand of the customers and the powerful rockdrills in market today. With over two decades of field and manufacturing exposure, we took the challenge to synchronise our products to present conditions.

We G-ROCERS, offer you crafted rock drilling tools that can assure the best cost per meter to our customers. Our excellency is our competency.
